

## Shorty and Big Monster – Part 2

When Shorty and his friend Big Monster entered the House of Mystery, they could hardly believe what they saw. The whole house seemed to be upside down.

Carpets, tables and chairs were hanging from the ceiling. In contrast, the ceiling lamps were sticking out of the floor! What had happened here? And who was responsible for the mystery?

Shorty and Big Monster had their suspicions. Only their old friend Mystery Mike could be behind this chaos.
